Sir I respectfully report to you the

I spoke to McAlister told him to arrest the person

Simms shot him through the body. McAlister
had made no motion to do anything. had
only said to him that I had Ordered him

Camp near Nicholls Bridge Augt 10th 1863.

Capt C. V. Tiffany A. A. G.

Sir

I have the honor to report that Capt. Nichols Company, in the absence of Capt. Fuller on recruiting service, left Camp on the receipt of General Commanding's order dated July 31st 63. He was ordered to report to Gen. Slocum Headquarters, via Harrisburg, Pa. with very complimentary recommendations which I think the Maj. Genl Commdg. will find it perfectly satisfactory to approve of the Company.

The Command is now encamped about seven miles from Nicholls Bridge on the road to Alexandria, in good condition as regards Men & Horses.

The camp is a very good one only difficulty being in regard to forage. There being none in the D. N. R. & I am obliged to buy any & it is impossible to buy any in the vicinity, except at the exorbitant prices.

We shall remain in our present encampment until the arrival of Capt. McLean's ship or otherwise ordered. Reporting immediately to Maj. Genl Taylor.

I am Respectfully
Yours &c.

Head Qrs 3rd Regt Tex Cavy
Columbus Aug 29th 1864

Brig Genl Slaughter
Chief of Staff
General

I am in communication
from Dilton Head Qrs Houston, Brig
Genl 1st Div, received 27th inst, I am directed
to explain why I furloughed large numbers
of my men, & in how far I falsely injured
the cause of Texas by furloughing so few
men, but I will explain & I hope satisfactorily
the cause of the small number of men in
Camp.

There are three routes to Bonham,
(counting point of destination) and at these
we had but little difficulties except as to scarcity
of subsistence on the roads, I chose the
middle route, it having been the least
troubled by troops & likely to yield better
facilities for forage and subsistence —
The 2d route by way from Houston, Logan's
Road, Commanding Corps H, represented
to me that there was much disloyalty in
his section of the State, & many desertions,
that he could do much good by taking
the western route. By Chero & could get
to Bonham about the 20th Sept, many
of his men had not been home from their
families in a long time, and by passing
through their own Country they could have
some time, Under these circumstances
I gave the Cpts permission to take that
route, with strict order to keep his men
together and moved in good order,

keeping up military discipline all the time.
I furthermore made it his duty to arrest
all deserters & disloyalists he might find
in the Country & to give the people assurance
of security and protection, when
ever & wherever it could be done, without
material detriment to the general interest
of the service & such was my views and
wishes my orders — I hope these will nothing
contrarily emanate in his views, and that
they may meet the approbation of the General
Commanding —

On Thursday I received a telegraphic
dispatch from Byron Sylvis Esq. asking the
favor privilege for his Company, but to go
the eastern route by Palestine, this order
was refused in which part of Texas, and for
similar reasons and under the same general
and order, I granted him permission to take
that route, I have frequently given rights
over this way, more especially where
forage & subsistence is scarce, & I shall
ordinarily do it to the east on all hands as
the route, although I deny granting
large numbers of men, & do I did permit
some to visit their homes, where the regt
passed within a few miles of their residence
this was positively unauthorizing any authority
& so obtained at the time it was for the
first and only time, since
I have it has resulted injuriously to
the service, owing to the bad faith in
many of the men, I could have only
regretted that such indulgence was
granted, and hope the General

Commanding will treat with leniency
this first act of disobedience of orders of
an Officer who has proved his courage more
than three years & has ever endeavored
to do his duty—
I beg to mention in connection with the
the foregoing, that, as soon as we reach
Washington for Alexandria, Coonies were
dispatched to the absent Companies, order-
-ing them to join us immediately at Burn
ham— There are now about Three
hundred men of the 2d Reg Tex. Cavy in
Camp near Columbus

I certify. That I have carefully examined the said Johnson Walker of Captain W. J. Richardson's company. and find him incapable of performing the duties of a soldier because of an attack of acute hepatitis; which terminated in abscess in the liver.

He was taken with fever. pain and a sense of tension in the right hypochondrium. and inability to lie on the left side. The pain soon became very acute & obtuse. dull and intense. and extended to the right clavicle and to the top of the right shoulder.

Twenty days after he was taken ill. a swelling made its appearance just at the edge of the short ribs and near the vertebral Column on the right side. Soon after he began to discharge the pus through the right lung into bronchi and so out by the mouth. After discharging thus two weeks. a large quantity was discharged from the bowels.

The pus being discharged. the tumor gradually disappeared.

During his illness previous to the discharge of pus. Some times he would appear to be much

relieved and at others almost approaching death.
He is now convalescent and by good attention
will I think regain his health. But will
not be able to perform the duties of a soldier
before the expiration of his term of enlistment.
His disease was contracted [illegible] by exposure to
inclement weather.
This disease requires active treatment in the
beginning, to prevent it from running into
the suppurative stage and as he had now
the acute stage had nearly passed before
he returned to the Camp.

Stages of this disease become apparent
on closing of the Liver ducts being formed
which more fully developing itself about the
28th August, on a copious discharge of Pus
from the mouth, which continued several
weeks. he is now very much emaciated, though
on a fair way of recovering, which has been
complished by close Medical attention &
nursing, they can satisfying Consent against
during his term of enlistment make an
effective Soldier.

Dublicate

Wm J. Richardson
Capt. Comdg. Company

I certify that I have carefully examined the
Private Johnson Walker of Captain W. J. Richardson's
company, and find him incapable of
performing the duties of a Soldier because
of a Attack of acute Peritonitis which terminates
in abscess in the liver
He complains with pain, pain and a
sense of tension in the right hypochondriac
and inability to lie on the left side. The pain
sometimes very acute at others dull and tensive
and extended to the right Clavicle and to the
top of the right Shoulder.
Shortly after he was taken ill a swelling
made its appearance, just at the cartilages
and near the vertebral column on the right
side. Soon after he began to discharge the
pus through the right lung and bronchi
and so out by the mouth.
After discharging thus two weeks a large quantity
was discharged from the bowels.

During his illness previous to the discharge of
yesterday he would appear to be much
deceived and it does almost [illegible]
He is now convalescent and by good attention will
I think regain his health. But will not be
able to perform the duties of a soldier before
the expiration of his term of enlistment.
His disease was doubtless caused by exposure
to inclement weather.
This disease requires active treatment, in
the beginning, to prevent it from running into
the [illegible] stage, and as he has now
the acute stage had nearly passed before
he returned to the Camp:

General. I address you, by the joint request of both officers and men under my command; that you would use your influence in transferring this Command to your own department. We all feel that anxiety to participate in the defence of our own homes so natural to all mankind, and with the confidence that we feel in yourself as a leader, we could at least strike a hearty blow for our firesides, and I trust would not defame the name of Texians.

My Command now numbers six companies 296 Rank and File, and should you see fit to recall us, it would ever be remembered by the Command Soliciting an early reply addressed to me at New Iberia La. I remain.

RECORD DIVISION,

WAR DEPARTMENT.

Rec'd Sept. 14th 1861

Head Quarters Fort Bliss
Aug. 31st. 1861.

Genl. E. Van Dorn

Sir:

I regret the necessity that compels me to prefer charges against Major E. Waller and Capt. Teel, against the former for disobeying written orders and for conduct unbecoming an officer and gentleman. Against Capt Teel for disobeying written orders and for embezzlement of public property. I demand that a court Martial be ordered to try these officers. Justice to myself and regiment require that an investigation of their conduct should be had. I placed Major Waller in command of Fort Fillmore with written orders to take charge of the Post and have an inventory of all the arms horses and public property of every description taken immediately and furnish me an inventory to be forwarded to you. I find on visiting his Post, that he never has been at Fillmore except to ride down from Mesilla and stay an hour or two once in four or five days. I find that not a single order given him has been obeyed. Thousands of dollars worth

of public property has been stolen under
and entegled by Mexicans and Soldiers
twenty or thirty mules are missing, fifteen
or twenty of the fine horses taken from the
enemy are gone and the commissary lit-
erally stripped. I would ask if it is not
the duty of the officer in command to re-
main at his Post and take care of public
property Capt Teel has sold bacon, and
stated publicly that he has now on hand
for sale 2000 dollars worth of rations. that
he rotted every Fed on the route to this place
is well known, and his company has committed
every outrage that they could think of. I
regret to say that a large number of the arms
taken are gone and cannot be accounted
for. all there horses I want investigated.
I am determined the blame shall rest
where it properly belongs, and not upon
the whole command for there never was
a finer body of men, more orderly and peace-
able than the mounted companies T.V.I
and his regulars have given me more
trouble than all the rest together.
The Mexicans have stolen a quantity of
property but I have hung every one against
whom I can find any proof, and intend
to continue hanging. I am truly &c. General

make such charges and complaints against officers of my regiment, but as you hold me responsible for the defence of this line I will not tolerate disobedience of my orders nor will I for a moment shield any man base enough to rob our struggling country. I have placed Waller & Teel in arrest and intend to keep them so until a Court can decide upon their conduct. I ask as a favor that you will see and converse with Capt McAllister who is familiar with the circumstances and who bears with him the esteem and confidence of both officers and men.

I shall be forced to enforce law and order in this country as well as in Arizonia I find that murder is the order of the day and men of desperate characters from all parts are concentrating and setting all law at defiance there I will strive at all hazards and shall hang the first man who commits an offense deserving it. The law is a mere farce and there is no security for life or property.

Hoping to receive instructions from you in relation to the State of affairs here

In explanation of my failure to report at Navasota at the time ordered I have to say that on the 7th of Feby I was lying in my Camp near Crockett very ill and was left there too unwell to accompany the Brigade when it Marched to Trinity Colony, Several days afterwards I determined to reach Navasota if possible. but arriving at the Neches River and finding it and other intervening Streams impassable I returned to Crockett & Telegraphed 12th Feby to Genl Smith asking to be allowed to remain at home in consequence of my wretched health and to be relieved from duty on the Court which I felt myself unable to discharge, The next day I received an answer a Telegram "You can remain where you are under Surgeon Certificate" but not relieving me from duty on the Court. On the 23rd Feby a leave of Absence of 30 days was granted me from your Office Surgeons Certificate
On the 13th instant and really before I was well enough I reported at this place while the Court was still waiting upon witnesses to prosecute its business, and am now acting with the Court

General. In accordance
with Orders Recd yesterday from Brigade Head Qrs
my Battalion will report at the Cut Rendevous at
Hempstead, preparatory to march for Louisiana.
I have the honor to address you now with the following
statement. Viz - That the Battalion has been in active
service in La, for nearly two years; and from its
original organization of 400 active efficient men
in the field, is now reduced through Casualties, death
and discharges to 165 men for duty. Many are
absent on Sick furloughs, who will soon be fit for duty.
With this statement, and in consideration of the services
rendered by the Battalion, the present weakness of
the same, and the late orders to fill up its ranks and
Number of Cos to form a Regiment, I make the earnest
request, that it may remain here untill it is recruited.
I urge this matter, feeling that it will be eventually
a benefit to the service, not only in the increase of
numbers, but in the renewed energies and enthusiasm
of the Old organization; as well as prove on the first field
or call for Soldiers. Again requesting a favorable consideration

the 1st day of August 1862 After the evacuation

that were scattered over the Parade Ground and the
enclosures of the different quarters I discovered
a Draft Draft to the amt of nine thousand five
hundred dollars ($9500) Which amt I delivered to
Lt Col Jno R Baylor in presence of witnesses without taking
his Receipt, Some time or five days thereafter I
found in the yard of one of the Quarters a Draft
for the additional amt of $3500 three thousand dollars
and at that time not being convenient to Col Baylor

The Deposition of Richard King a citizen of Lee County of Sumter State of Ga. 18 years of age now in the line & staff of the army of the Confederate States. Taken in the cases of Thos. Wilson & Preston P. Sullivan late Privates in Capt Spencers Co.' 2nd Regt Georgia Regulars P. A. C. S. both of said Counties on the 17th day of said Deposition which said Deposition was Taken in the City of San Antonio Boyer County Co's on the 9th day of March A.D. 1862 in the presence of the Plaintiff & Defendant which said Depositions it is agreed may be read on the Trial of both of the cases against said Wilson & Sullivan, subject to legal objections to the relevancy & competency of the answers, but subject to objection to the form & manner of taking the same -

Int. - Are you acquainted with two men of the name of Wilson & Sullivan, & if yes, to which Co.' & what Regt do they belong, & where did you first see them?

Ans - I am acquainted with the two men, Wilson & Sullivan, they belonged then to Capt. Spencers Company & Ford's Regt. I met them first at Rio Grande City;

Int. - In what County did you meet them & what period between 1 — (1) and the time, answer fully;

Ans - In Starr County, I went down to the store, & there I found nine or ten men, of Capt Spencers Co.' I immediately spoke to these two men, Wilson & Sullivan about taking a pistol I took from them they had robbed my employer of his six shooter, & twenty five dollars in money. they denied the charge - I told them they had robbed him Well I wanted them to de-

did not know anything about it - I believe he
knew pretty severely, & then the man Wilson
got the pistol out of a wallet, or saddlebags
on one of the horses, belonging to one another
man of the Co: I did not know the
other man - I got the same time at the
holster other left, the pistol was in
the holster, it was a Remington sin-
-shooter - it was a Colts make, I then
told him, that there was two ten dollar
gold pieces, & five one dollar gold pieces
in the bottom of the holster, he ripped
the holster open, & said there was no
money there, & he had not seen the money, & did not know it - he delivered the pistol
Ques - Where did Wilson say he got the
pistol, & how did he say he got it?
Ans - He said he had taken it from the
Mexican, he said that he had orders
to take arms from Mexicans wherever they
found them with them -
Ques - What was the name of the Mexican, & state
whether he was present at the time that
you got the pistol, & in what manner was
it & what said?
Ans - Lucas Ruiz, he was the head manager
of my horses & had been for a good while
& had discharged his duty faithfully, I had
had him in my employ from six or five years
perhaps longer, he was present at the time
I got the pistol, somewhere about the 20th of
August 1862 - it belonged to the Mexican Lucas Ruiz
the many others talked to him -
Ques - State whether or not the Mexican Lucas Ruiz
had been wounded or not? if so state
what time was he wounded, & how was
he wounded?

Ans - He had some scars on his neck, that
looked like he might have been wounded
in the neck with shot about the size of
duck shot. & one shot in the collar
bone - I supposed they the wound had been
inflicted with a shot gun, most probably
a double barrell, one of the men had
a Mississippi Rifle in Jo Ivey, & the other
had a short gun at Rancho Viejo - I
think that Wilson had the double
shot gun but will not swear to it
positively -
Ques - About what time was Lucas Ruiz wounded
where was he up at the time?
Ans - He left my house to go to Brownsville
to a to Capt. McKenzie's & was coming
for me, I sent a letter by him to him & he
had a fight at the line for the Provost-
Marshal's Deputy, Gen Blucher, he
went away around & came back
wounded, he left us about the 20th
of August 1862 -
Ques - In what direction is "Boyles Wells" from
the road from your Ranch down to
Capt Kings Ranch? & Brownsville, &
how far is Boyles Wells from your
Ranch?
Ans - It is fifty miles from my Ranch & Boyles
Wells, other wells are in the upper
road from my Ranch & Brownsville -
Ques - Have you seen Lucas Ruiz since, if so where
did you see him & when?
Ans - I saw Wilson on 8th Nov 1862. in the Hospital
in San Antonio Texas, & recognized him as the man who
gave me the picture of Ruiz there, above stated - I saw
him today - in his own house in San Antonio, but
I thought was sullen & would not speak

Sir

In regard to an application for "leave of absence" forwarded to these Head Quarters for thirty days, and approved by Lt Col Daly, my Batt'n Commander, and Col Griffin Post Commander at Sabine Pass, and approved at these Head Quarters for thirty days. I would most respectfully request a re-consideration of my application, and such extention of the present thirty days as may be practicable.

I would also state that the circumstances of my family alone, indeed me to seem importunate. besides the length of service and strict attention to duty are of any avail. I trust it may weigh in this case.

I also enclose an order from Lt Col Daly, which will necessarily occupy considerable time. I also enclose the order of "Leave of absence" which I hope you may deem proper to extend, as I wish to leave in the morning for Galveston Texas

Brig. Genl. James E. Slaughter
Chief of Staff

Sir

I would most respectfully request a Leave of Absence for the period of Sixty days, to visit my family in Beaut County, Texas, which I trust will be granted under the following circumstances

I have been continuously in the service of the State of Texas and the Confederate States, since the 18th day of February 1861. and have had only 14 days leave of absence during that time; seven days in the beginning of June 1861. before starting to Harrisburg with the Army of the P. D. M. R. then under Command of Lieut Col. John R. Baylor, and seven days in the month of November 1862. and granted by Lieut Col. A. H. Davidson, I have never during my service, been absent without leave, or absent sick for one hour, I have been sick during that time about six or eight days, to the best of my recollection I was on Detached service in pursuit of Deserters from the 4th to 29th December 1862. and on Recruiting service for some 28 days in the spring of 1863. I was also sent on D. S. from Columbus, Texas in the beginning of May 1863 (May I believe) for the

purpose of establishing a line of Couriers from Columbus to San Antonio, Texas, and detached by Capt. John S. Ford, then 2d Mr. Master at Columbus, and in compliance with Genl orders from District Head Quarters. I would further state that my business is in "confusion worse confounded" never having been properly attended to for over three years, and it becomes absolutely necessary for me to attend to it, and provide for the comfort of my family for the ensuing season therefore I trust the time asked for may be granted, for the purposes above stated.

I have for duty in the Company at present One 1st and one 2d Lieut, my other Lieut is on daily duty, part time, in command of Comps A, Daly's Battn at Fort Brownsville near this place.

I would also request that my leave of absence commence from the date of disembodiment, or as soon thereafter as practicable of the General Court martial now in session at this Post and of which I am a member.

I have the honor to be, very
Very respectfully,
